

## GE Transportation Fort Worth Painter Position

GE offers a great work environment, professional development, challenging careers, and competitive compensation. GE is an Equal Opportunity Employer. Employment decisions are made without regard to race, color, religion, national or ethnic origin, sex, sexual orientation, gender identity or expression, age, disability, protected veteran status or other characteristics protected by law.

### Painter qualifications will include but not limited to the following:

- Dry sanding, masking, unmasking, stencil, finish painting, seal and touch up.
- The applicant must be familiar with standard paint equipment and must be able to set up and adjust equipment to obtain the desired spray patterns.
- Must be able to demonstrate proper environmental & safety practices when setting up and cleaning equipment.
- Be able to identify defects such as runs, sags, dry spray, orange peel etc. and determine the probable cause and demonstrate repair techniques.
- Work with all facility employees on improving manufacturing processes through prototyping, fabrication and experimental machining to develop and prove concepts and design and implement necessary fixtures and tooling for manufacturing improvements.
- Promote climate of cooperation; leading by example mentoring others in safety, environmental, quality, lean and high performance work team philosophies.
- Demonstrate the ability to work with plastic fillers such as Bondo, icing, etc.
- Willingness to work with team mates to achieve the highest paint standard possible.

All painters will perform multiple tasks in any combination and concentration of the above mentioned areas and will rotate through all or most of the processes rather than being assigned to a specific task. Painters must be able to work as part of a team having responsibility for numerous components and other duties as assigned. Starting pay rate is \$18.00 per hour.

### Minimum Requirements

- Must be 18 years of age or older.
- Must have a high school diploma, GED, or equivalent.
- Legal authorization to work in the U.S. is required. We will not sponsor individuals for employment visas, now or in the future, for this job.
- Must be willing to wear personal protective equipment, for example safety glasses, gloves, hats, ear plugs, and safety shoes.
- Must be willing to work in a tobacco free environment.
- Must be willing to submit to a background check and drug screen (both for initial hire and also ongoing random screens).
- Must be able to work occasional weekend shifts.
- Must be able to work scheduled overtime.
- Must be able to read blue prints, schematics and manufacturing instructions in a sufficient manner to complete the assigned assembly tasks.
- Must be able to complete some operations at heights up to 20 ft.
- Must be able to climb and complete some work on ladders.
- Must be able to lift material up to 50 lbs. with or without reasonable accommodation.
- Minimum of 1 year of industrial/automotive paint experience.
- Must have ability to properly use and care for assigned tools and equipment.
- Must be able to adhere to standards, do a quality job in a safe manner and within acceptable time.
- Every employee will be an in process inspector.

### Desired Skill Sets

- Auto Body experience
- Electrostatic Painting and conventional set up experience
- Manufacturing experience
- I-CAR or ASE course completion
